Hello Elly and Sarah,

Forgive me, but please cancel the roll off bin request for next Monday (04/20/20).

LACC was pulled to another project.

I'm sorry for this inconvenience and the hard work you invested. Please hold the request for a later date.

Thank you,  
Alejandro Perez

Hi Alejandro,

Unfortunately we will not be able to start the CD7 abatement project as planned. A majority of our crew members were pulled for a project. With the amount of work that is needed for this request, it is not doable with a crew of 2-3.

When we are able to pull a larger crew to help with this request, I will let you know right away. If you have any questions please let us know. I apologize for any inconvenience.
